Jesus is building an accurate Church.

The Lord emphasized in my spirit the necessity of being an accurate church, to ensure that what we are doing as households of faith aligns with the pattern who is Christ. The Old Testament is full of types and shadows revealing to us the pattern of Christ. The clearest example of all, being the tabernacle of Moses, which he built according to the heavenly pattern shown to him. (Heb 8:5). Every aspect and feature of the tabernacle revealed the Lord Jesus Christ. The sad part of this is that when the true Christ appeared it was the religious people that did not recognize Him.

Jesus did not only come to save and deliver us from the power of sin, but he came to reveal to us the Father who sent Him. Jesus was interested in accurately representing God the Father on the earth. In John 14:7 He confirms this fact. 'If you have seen me you have seen the Father.' Jesus came to reveal the pattern according to which man and God would live in close relationship with each other because of what Jesus was about to do, not only on the Cross but after His resurrection.

I would like to paraphrase John 14 to reveal this fact: Do not let your heart be troubled as you see the following events unfolding concerning my crucifixion. Just keep on believing in God and by definition in me. The reason you need not fear is that I have included you in my eternal plans. However in order to get everything aligned with my Father's purposes, I have to die and my blood will have to be presented to the Father to deal with the sin of man. This is the hindrance to the Father living in you. Once that has been accomplished the way is clear for the Father to live in you. I assure you in my Father's house there are many dwelling places, there is enough room. I am going to prepare a place there so that where I am (in the Father's house), you can also be. If you want to be where my father is you have to be in me, because no one can come to the Father except through me. I am the truth the way and the life.

I am in the Father and the Father is in me, that is why I say when you see the Father you see me. The works I do should confirm that. This is also what will confirm to you and the ones I send you to, that you are in me and I am in you because you will do the same works as I do and even greater ones. Because my sacrifice has made this possible you and I will have such a close relationship that you will be able to use my name to ask for whatever you want. Your acts of obedience will demonstrate your love for me. I will ask the Father to give you another comforter. He the Spirit of truth will live in you constantly making you aware that you need not feel like an orphan. As soon as my sacrifice has been accepted by the Father, the Holy Spirit will be able to enter your lives that have been cleansed with my blood, making you an acceptable dwelling place for my Father and me.
